**COURSE TITLE****22099VIC Course in First Aid Management of Anaphylaxis**

(This Nationally Recognised Training Course is conducted through KidsAlert, an approved co-provider of Australian Education & Training – RTO No. 21509)

---

**DESCRIPTION**

**22099VIC Course in First Aid Management of Anaphylaxis** is for people who care for children or a person at risk of anaphylaxis. This Nationally Accredited Training course provides participants with the crucial knowledge and skills so that they can recognise signs of a severe allergic reaction and provide appropriate first aid treatment for anaphylaxis. You will also learn how to develop and implement strategies to prevent allergic and anaphylactic reactions.

22099VIC First Aid Management of Anaphylaxis meets the requirements of Ministerial Order 90 and the Victorian Children's Services Regulations regarding 'Anaphylaxis Training' required for all school and children's services staff that have a child at risk of anaphylaxis in their care.

---

**DURATION**

The course runs for approx 3 hours and is valid for 3 years. We will provide the training on your premises.

---

**LEARNING OUTCOMES**

There are two units of competency in this course: VU20296 Provide first aid management of severe allergic reaction and anaphylaxis. VU20297 Develop risk minimisation and management strategies for allergic reaction and anaphylaxis

**The course will help you gain knowledge and skills in the area of:**

- Allergies and Anaphylaxis
  - Identification of triggers that cause anaphylaxis
  - Identification of the signs and symptoms of allergic reactions and anaphylaxis
  - Providing emergency first aid management for anaphylaxis
  - Risk Assessment and Risk minimisation in your environment
  - How to identify a child at risk of anaphylaxis
  - Understanding and implementing an Individual Anaphylaxis Management Plan
  - Current Legislation
  - Administering of an adrenaline auto injecting device, such as an EpiPen or Anapen
- 

**ASSESSMENT**

When you are deemed competent you will gain a **Statement of Attainment** in First Aid Management of Anaphylaxis. This will be based on a number of assessment tasks conducted during the training session. This Nationally Recognised Qualification is issued by Australian Education & Training Pty Ltd (RTO No. 21509).

---

**MATERIALS REQ.**

**You will need to bring pens and paper to write on**

---
