

Presents an innovative
Anaphylaxis Education Program
Designed by KidsAlert

Anaphylaxis and Allergy Information Seminar

This workshop will provide useful information for parents, relatives, friends, carers, teachers and other members of the community who want to learn more about allergies and anaphylaxis. We can also cater to your needs and requirements. Please discuss this when you call.

The workshop includes:

- What is an allergy?
- The causes and symptoms of an allergic reaction
- What is Anaphylaxis
- How to reduce the risks of Anaphylaxis
- How to identify anaphylaxis
- First Aid Treatment for Anaphylaxis
- EpiPen information and usage
- Accident prevention strategies
- Question time

Presenter: Tiffany Thojaya, Anaphylaxis Education Consultant & Trainer
